Studies and College of Liberal Arts (CLA). I'm Gwich'in, originally from Arctic Village, Alaska and UAF alumni. Part of my job is to assist CLA graduate students with processing their graduate paperwork. If you are a CLA graduate student, you may receive an email from me from time to time about reminders and opportunities as they arise. I'm excited to be a part of the Center for Cross-Cultural Studies and the CLA team. My office is in 201E Eielson, down the hallway from the UAF Graduate School. Please stop by and let me know if you have any questions. I'm looking forward to the new and exciting semester.
