## Chapter 1 — Executive Summary

The Master Planning Committee (MPC), with support from its North Campus Subcommittee (NCS), recomn following management plan for the UAF North Campus. This plan furthers the goal det the UAF Campus Mast Plan (CMP) to:

"Protect the integrity of the North Campus for education, research and recreation, including maintaining and promoting the UAF trail system as a signF D Q W F D P S X V D Q G F R P P X Q L W \ D V V H W \ \

The focus of this plan is one generally undeveloped UAF land north of the main UAF campus. This land include research and education sites as well as the UAF trail system. The purpose of the plan is to provide guidance for North Campus (NC). In developing it, the Si Cathered extensive data about historical and contemporary use anticipated needs for the area. It held numerous public meetings and several open forums to solicit input, public process led to the conclusion that protecting the biologinal physical integrity, as well as the natural asse NC is paramount. This is consistent with the CMP. Three value statements were developed for the North Campus.

- Value Statement 1:Preserve the biological and physical integrity, as well as theahatsets, of North Campus.
- Value Statement 2:Ensure year round, compatible access and use for research, education, and recreation
- Value Statement 3: Promote the North Campus as a multie resource for UAF and greater Fairbonn communities

Within these broad guidelines, the MPC recommends that the NC be managed for multiple use involving education, and recreation. All currently allowed uses shall be permitted to continue, while new for Designary O \ PRG L activities shall be subject to rewir and approval. All uses can retail to be the new for the subject to rewir and approval. All uses can retail to be subject to rewir and approval.

It is of paramount importance that a management structure for the NC be implemented which provides clear a ensure the limits deQ H G D V D F F H S W D E OKKey Do Uthits is Q dReVation H of FaH Not no HCO mpus manager (N position.
