B. CURRENT REQUIREMENTS AS IT APPEARS IN THE CATALOG:

Certificate, Health Care Reimbursement
 Minimum Requirements for Certificate: 30 credits
 Students must earn a C- or better in each course.

Course List
 Code
 Title
 Credits

General University Requirements
 Complete the general university requirements.
 Certificate Requirements
 Complete the certificate requirements.
 Program Requirements

C. PROPOSED REQUIREMENTS AS IT WILL APPEAR IN THE CATALOG WITH THREE CHANGES.

(Underline new wording ~~strike through old wording~~ and use complete catalog format)

Certificate, Health Care Reimbursement

Minimum Requirements for Certificate, 20 credits

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the tools used for data collection.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings of the research. The data shows a clear trend in the relationship between the variables being studied.

4. The fourth part of the document discusses the implications of the findings. It highlights the potential applications of the research in various fields and the need for further investigation.

5. The fifth part of the document concludes the study. It summarizes the key findings and provides a final statement on the overall significance of the research. The authors express their gratitude to the funding agencies and the participants who made the study possible.

6. The sixth part of the document includes a list of references and a list of figures. The references cite the works of other researchers in the field, and the figures provide a visual representation of the data presented in the text.

7. The seventh part of the document includes a list of tables and a list of equations. The tables provide a detailed breakdown of the data, and the equations describe the mathematical models used in the study.

8. The eighth part of the document includes a list of appendices and a list of footnotes. The appendices provide additional information and data, and the footnotes provide clarification on specific points in the text.

9. The ninth part of the document includes a list of acknowledgments and a list of authors. The authors express their appreciation to the individuals and organizations that supported the research.

10. The tenth part of the document includes a list of contact information and a list of distribution channels. The authors provide their contact details and information on where the document can be accessed.

11. The eleventh part of the document includes a list of keywords and a list of subject headings. The keywords provide a summary of the main topics covered in the document, and the subject headings provide a classification of the document.

12. The twelfth part of the document includes a list of abstracts and a list of summaries. The abstracts provide a brief overview of the document, and the summaries provide a more detailed overview of the content.

13. The thirteenth part of the document includes a list of references and a list of footnotes. The references cite the works of other researchers in the field, and the footnotes provide clarification on specific points in the text.

14. The fourteenth part of the document includes a list of appendices and a list of footnotes. The appendices provide additional information and data, and the footnotes provide clarification on specific points in the text.

15. The fifteenth part of the document includes a list of acknowledgments and a list of authors. The authors express their appreciation to the individuals and organizations that supported the research.

16. The sixteenth part of the document includes a list of contact information and a list of distribution channels. The authors provide their contact details and information on where the document can be accessed.

17. The seventeenth part of the document includes a list of keywords and a list of subject headings. The keywords provide a summary of the main topics covered in the document, and the subject headings provide a classification of the document.

18. The eighteenth part of the document includes a list of abstracts and a list of summaries. The abstracts provide a brief overview of the document, and the summaries provide a more detailed overview of the content.

19. The nineteenth part of the document includes a list of references and a list of footnotes. The references cite the works of other researchers in the field, and the footnotes provide clarification on specific points in the text.

20. The twentieth part of the document includes a list of appendices and a list of footnotes. The appendices provide additional information and data, and the footnotes provide clarification on specific points in the text.

21. The twenty-first part of the document includes a list of acknowledgments and a list of authors. The authors express their appreciation to the individuals and organizations that supported the research.

22. The twenty-second part of the document includes a list of contact information and a list of distribution channels. The authors provide their contact details and information on where the document can be accessed.

23. The twenty-third part of the document includes a list of keywords and a list of subject headings. The keywords provide a summary of the main topics covered in the document, and the subject headings provide a classification of the document.

24. The twenty-fourth part of the document includes a list of abstracts and a list of summaries. The abstracts provide a brief overview of the document, and the summaries provide a more detailed overview of the content.
