MOTION proposed Capstone Requirement Effective Fall 2016

=====

The Curricular Affairs Committee moves that the Faculty Senate make the following changes to the UAF baccalaureate requirements:

Each student must complete a capstone experience in the student's major or program, as described below. It will be the responsibility of each Department, Program, and (or) College/School to create, deliver, evaluate, and assess their capstone experience. Each Dean's office will have a copy of the capstone requirements for all programs in the school/college on file.

Rationale: This change is proposed in support of satisfying UAF's Learning outcome #4: integrate and apply learning, including synthesis and advanced accomplishment across general and specialized studies, adapting them to new settings, questions, and responsibilities, and forming a foundation for lifelong learning. Preparation will be demonstrated through production of a creative or scholarly project that requires broad knowledge, appropriate technical proficiency, information collection, synthesis, interpretation, presentation, and reflection.

Many UAF Departments and Programs currently have baccalaureate capstone experience requirements
