I. Minutes from meeting of 9/09/15 were approved.

II. Certificate Program in Resilience and Sustainability. GAAC discussed the proposal for a certificate program Resilience and Sustainability with guests Larry Duffy and Mary Ann Mulkin. Larry indicated that the proposal is not an option for students with a concentration in their field of study in the area of sustainability. There is already an on-going interdisciplinary program in sustainability but students are admitted to individual departments and not certified in the certificate. It demonstrates that
