Advocacy Trip to Juneau.

UA Staff Alliance members traveled to Juneau to advocate on behalf of the university and meet with legislators. Members met with approximately twenty different Senators and representatives over two days. I was in on meetings with Senators Paskvan, Thomas, Coghill and Representatives Kelly, Kawasaki, and Wilson. We also attended hearing on the university operating and capital budget. At this point the operating budget has passed the house. Over the next two weeks the Senate will be focusing on both the operating and capital budgets with the house working on the capital budget. This is an important time to be contacting legislators and thanking them and encouraging them to support the Regents capital priorities.
