
The Facilities Naming Guidelines were developed in response to the increasing number of naming requests that are being made at UAF. In order to provide a fair and consistent process for naming of permanent facilities and other campus features, both interior and exterior, a clear process is required. The guidelines insure that proper review and consultation occur prior to any naming decisions being made.

All naming requests shall be brought initially to the UAF Development Office. Since naming requests for facilities are only one of many ways to recognize individuals and/or
