- 4. Community garden an update on the community garden will be provided. (this had been proposed for a location just west of CCHRC and east of Thompson Drive).

Rurd Affairs Committee Report for May SC Meeting

Committee Chair: Brad Krick

The Rural Affairs Committee met on May 2 and primarily discussed Staff Appreciation Day events and the Staff Make Students Count award.

We discussed if rural staff could help eLive sessions for Staff Appreciation Day. We also discussed if campus and other sites that had been given money for events were using it. Brad said that he would follow up with the Sa committee on both counts.

The committee was asked to discuss if the was enough focus on the Staff Make Students Count award, since there were ‰ ‰ Œ v š o Ç v } š u v Ç Œ µ Œ o • š ((v } u] v š () Œ š Z] • Ç length of time to submit nominations was too short. This year and last year, nominations premetor about 10 t 14 days. However, in 2010, nominations were open for seven weeks. More time would have allowed nominators to assemble the necessary letters and either nominate more staff or nominate someone at all.

It was also suggested that perhaps the award could be improved by finding a way to recognize the nominees as well as the winners. Brad summarized in this mation and passed along to Juella Sparks
