

Staff Appreciation Day Committee Staff Appreciation

March 2024 Committee Report

Submitted by Maria Russell

The Staff Appreciation Day Committee had its first meeting March 7th and although we had a late start, we are very optimistic that registration will open up on time in mid-April. This year's committee members are: Maria Russell, Ashley Munro, Carla Browning and Raychelle King.

On this date we held the committee meeting and discussed the agenda for the year. We are maintaining the luncheon and the longevity and award ceremony to the best of our ability. We will have a committee meeting with the organizing door prizes from 4-5pm.

We also noted that we have analyzed the longevity record after a

one year period. Once we have the website finalized we will set a goal to

maintain the rural site request funds. This year we are asking that rural site request funds we are hoping that this will facilitate the annual review of the funds. In past years some rural sites funds have been requested.

Currently we are looking for session ideas. If you have session ideas or would like to volunteer for a session please email UAF-Staff-Appreciation@alaska.edu. We plan to have all sessions finalized by the first week of April.

We will send out a volunteer request mid to late April, so be on the look out.
